

IHSCON 2022

Legends go Live

17th & 18th September 2022
(Saturday & Sunday)

**XIVth ANNUAL NATIONAL CONFERENCE
of
INDIAN HERNIA SOCIETY**

ORGANISED BY :

**DEPARTMENT OF SURGERY
SN MEDICAL COLLEGE, AGRA**

&

SOCIETY OF ENDOSCOPIC & LAPAROSCOPIC SURGEONS OF AGRA (SELSA)

IN ASSOCIATION WITH :

**ASSOCIATION OF SURGEONS OF AGRA
UNDER THE AEGIS OF UPASI**

VENUE : SN MEDICAL COLLEGE, AGRA

Welcome Note

Dear Colleagues,

It is a matter of great honour for the surgical fraternity of Agra to host 14th National Conference of Indian Hernia Society.

It is our proud privilege to invite you to IHSCON 2022 on 17th & 18th September (Saturday & Sunday) at SN Medical College, Agra.

This Mega event will provide an opportunity to all surgeons to update their knowledge and interact with the icons in the field of surgery.

Agra is a famous International tourist destination owing to its rich heritage. It is part of the Golden triangle and is also very close to Mathura - Vrindavan (Lord Krishna's Birth Place). Chambal Crocodile Safari and Keoladeo Bird Sanctuary are 30 minutes time from Agra.

The scientific committee has chalked out a very interactive and informative program in these 2 days, we will be demonstrating around 15 to 20 different hernia procedures (open and Laparoscopic) from 3 simultaneously running operation theaters. These surgeries will be relayed in HD from state of art OT's. Post Lunch, there will be didactic sessions on different subjects comprising of master videos, panel discussion on controversies and Complications, Medico legal aspects, Lifestyle and Wealth Management etc.

We hope you will enjoy this surgical feast along with our warm hospitality.

We have already applied to medical council for CME credit hours.

Please block your dates and stay tuned for further updates.

With warm regards,

Dr RM Pachori
(Organising Chairman)

Prof Juhi Singhal
(Organising Chairman)

Prof JPS Shakya
(Organising Secretary)

Dr Siddharth Dhar
(Organising Secretary)

Message from Indian Hernia Society

Dear Esteemed Members and delegates,

Please accept Greetings from the Indian Hernia Society.

Friends, after the COVID pandemic, we are meeting this time for a physical onsite IHSCON 2022 at Agra. Everyone is excited to see one another and catch up with the advances in Hernia surgery and learn from one another about nuances and tricks.

We invite you, one and all with your assistants, students and families to the wonderful IHS congregation at Agra. This is a great opportunity for us to share and update our surgical knowledge and sharpen surgical acumen for the benefit of patient care at large and personal refinement at best. The scientific program has been carefully drawn up with operative live workshop on both days by the doyens of hernia surgery with orations, panel discussions, master video session, key note lectures and PG master class.

The organizing team of IHSCON 2022 under the dynamic leadership of Prof SD Maurya need to be complemented for organising this event at a short notice and we are sure that they will leave no stone unturned to organize a memorable event with a rich scientific content and a gala evening with fellowship and fun.

We warmly welcome you to this conference and wish it a grand success.

Prof Pawanindra Lal
President, IHS

Prof Asuri Krishna
Secretary, IHS

MESSAGE FROM THE PRINCIPAL

Prof Prashant Gupta
(Principal,
SN Medical College,
Agra)

The most sharp minds, skillful fingers, all over world as alumni and constant battle to reshape novice aspiring surgeons has had been treasure of pristine glory of SN Medical College, Agra.

If surgery is an art then hernia surgery is intricate beautification of this art.

An astounding academic feast with incisive discussions, gamut of hernia surgeries - few endangered, few survived test of time and many born lately, everything is waiting for you.

Since our primary responsibility is to create our replacements better than us so let us all work towards creativity and craftsmanship in field hernia.

MESSAGE FROM **PROF MC MISRA**

Prof MC Misra
(Founder President
Indian Hernia Society)

Greetings from IHSCON 2022 AGRA

It is extremely heartening to note that Dr. Sandeep Gupta (9568872580) and Dr Siddharth Dhar (9997352866) accepted our request to organise the 14th Annual National Conference of Indian Hernia Society - IHSCON 2022 on 17th & 18th September 2022 at AGRA.

Hernia repair has taken a centre stage over last decade particularly with the advent of Minimally Access techniques coming into vogue. Both groin hernia surgery as well as ventral/ incisional hernia repair are performed in large numbers by variety of procedures. There have been recent awakening about the various techniques for the repair of groin hernia with the standardization of endoscopic repairs. Abdominal wall Reconstruction has also taken a centre stage with the focus on component separation with particular attention on posterior component separation using Transversus Abdominis Release (TAR). There is also inclination towards eTEP (Enhanced View) for groin hernia and the same technique of eTEP helping to learn endoscopic abdominal wall reconstruction using TAR for complex and recurrent incisional and ventral hernias.

Groin hernia repair is one of the commonest general surgical procedures performed by general surgeons. Over 700,000 groin hernia repairs are performed each year in USA alone. The exact number in India is not known but according to conservative estimate more than 400,000 repairs are done each year in India. Open hernia repair continues to dominate and associated with significant morbidity if not performed by properly trained surgeons. Open hernia repair is the first elective operation performed by surgical trainees. To focus on surgical treatment of hernia; Shouldice Technique, Bloodgood, Lichtenstein, PHS and laparoscopic (TEP & TAPP) repairs will be demonstrated.

Ventral/incisional hernia repair is the next common hernia performed by general surgeon. In USA alone over 90,000 incisional hernia repair done each year. In India there are no definite data but more then 1,50,000 repairs might be performed according to conservative estimates. Sutured repair is associated with high recurrence rates (As high as 60%). Recurrence rates have significantly come down with the prosthetic repair. Lately laparoscopic repair of ventral/incisional hernia repair has become the standard of care due to overwhelming advantages in terms of reduced postoperative complications and recurrence. IHSCON 2022 will focus on various aspects of laparoscopic and conventional repair of ventral/incisional hernia.

I welcome you all for active participation during the CME, Conference and live operative workshop on various techniques for inguinal and ventral/incisional hernia repair. There shall be free papers and panel discussion covering various aspects of hernia repair. I am certain that the dynamic team lead by Dr. Sandeep Gupta and Dr. Sidharth Dhar and their Team for putting up the absorbing scientific program and live workshop and wonderful hospitality.

On behalf of the Organizing Committee, we extend our heartfelt invitation to one and all.

This will be a grand event in Surgical Laparoscopy with participation of delegates from all over India and neighbouring countries. We have learnt reputed faculty from India and overseas are expected to actively participate in this event.

We thank you for the wholehearted support to the Team AGRA for organising IHSCON 2022.

The conference and Live Operative Workshop will focus on laparoscopic & open repair of inguinal and ventral/incisional hernias.

With all best wishes and greetings, I welcome one and all to the City of AGRA.

MESSAGE FROM PROF SD MAURYA

Prof SD Maurya
(Past President
Indian Hernia Society &
Patron IHSCON 2022)

It is a matter of great honor for Surgical fraternity of Agra and Department of Surgery SN Medical College for being entrusted upon with the responsibility of organizing 14th Annual National Conference of Indian Hernia Society - IHSCON 2022

Surgical Fraternity of Agra has always been enthusiastic in organizing academic events and Live Operative Workshops.

Despite the paucity of time this time, I am sure that under the Patronship of Prof Prashant Gupta, Principal SN Medical College, leadership of Dr Ravi Pachauri and Dr Juhi Singhal and the dynamic workforce of Prof JPS Shakya, Dr Siddharth Dhar, Dr Sandeep Gupta and Dr Ankur Agarwal IHSCON 2022 will prove to be an academic event par excellence.

On behalf of the Organizing Team of IHSCON 2022, I take the privilege of inviting all of you to be a part of this Surgical feast on Hernia on 17-18 September 2022

My best wishes to the organizing team for a very successful IHSCON 2022
