Prof VK Bansal, President SELSI, chaired the meeting and called it to order. Dr Amit Srivastava, Secretary SELSI, welcomed all members of the Executive Committee.

With permission of chair, the following agendas were discussed:

AGENDA 1:

SELSICON 2021 - Physical / Virtual / Hybrid - Dates, How many days, Format:

- Prof V K Bansal suggested that due to the ongoing pandemic, it will not be practically possible to hold a physical National conference this year. He proposed that instead of having a physical meeting, we should organize a virtual / hybrid conference this year. It can be a one day conference with Live Surgery relayed from various centres across the country / abroad. Since this is going to be a virtual conference, it would be better that Head Office takes the responsibility of organizing it.
- Prof M C Misra suggested that we can have a joint National conference with Indian Hernia Society like we did last year.
- Prof Muneer Khan suggested that both conferences can be held separately within a gap of one month since Hernia has become a vast topic with lot of newer techniques and requires more time to demonstrate and discuss various procedures, which may not be justified in a joint conference.

Dr Jugal B Agarwal (2020-2022)

- Dr DP Singh suggested that we can have separate halls for Indian Hernia Society and SELSI. Dr GR Verma and Dr J B Agarwal seconded that.
- Dr Tarun Mittal suggested that we should have lectures and panel discussions also.
- Dr. Amit Srivastava suggested that we can have separate halls dedicated to SELSI and Indian Hernia Society. There can be multicenter live relays to respective halls on Day 1 whereas we can have Orations / Panel Discussions and Debates on day 2.
- Dr Muneer Khan suggested that there should be slot for master videos also because at times it may not be possible to demonstrate a certain procedure.
- Dr VK Bansal suggested that we should have a one and half day conference instead of 2 full days

CONCLUSION- After a lot of discussions and consideration of all the suggestions and executive committee decision of IHS. Dr. VK Bansal finally confirmed that SELSICON 2021 & IHSCON 2021 will be a joint Annual Conference for one and half day. It will be a virtual conference with exclusive SELSI and Indian Hernia Society Halls. On first day there will be live surgery relay from various centers across the country and abroad. On second day, there will be Orations / Panel discussions / Debates and Master Videos. There was a consensus for end of October or early November. Dr. Bansal asked Dr. Amit Srivastava, Dr. Sameer Kumar and Dr. Asuri Krishna to jointly take the responsibility and organize this virtual conference.

AGENDA 2

SELSI Elections: Dr V K Bansal informed the house that as per SELSI constitution, EC can only be elected by GBM. Since we will not be having a GBM this time, Elections can not be held. He proposed that Dr Rajesh Bhojwani (President Elect) should take over as President SELSI as he has already been elected for this post. He proposed that rest of EC Members should continue as such for one more term. We should count 2020 as zero year.

AGENDA 3

Statement of Conference Accounts:

Dr. Tarun Mittal (Org Secretary SELSICON 2019) and Dr R Padmakumar (Org Chairman – SELSI SZ 2020 & MISCON) informed the house that they have recently submitted their accounts to the head office.

Dr. J B Agarwal (Org Chairman, SELSI WZCON 2020) informed the house that there are some pending payments which are expected to mature this month. I assured the house that whatever amount remains in conference account after final audit will be transferred to SELSI. Dr. Virinder Kumar Bansal suggested that this amount can be written off in view of the covid and account finalized.

The meeting ended with a vote of thanks.
