SELSICON

15th Annual International Conference

COIMBATORE - INDIA 2022

ABOUT SELSICON 2022

The Society of Laparoscopic and Endoscopic Surgeons of India (SELSI) is a body of 3500 laparoscopic surgeons. It is organising its Annual International Congress "SELSICON 2022" on 10th, 11th & 12th November 2022 at Hotel Le Meridien, Coimbatore, India. Live operative demonstrations will be an important part of the event and procedures will be telecasted from multiple national and international centres on an advanced platform. This is an annual event usually attended by more than 1000 surgeons from across the country and abroad. The focus is on Minimally Invasive Surgery for General Surgeons including Hernia Surgery, Bariatric Surgery, Hepatobiliary Pancreatic Surgery, Therapeutic Endoscopy, Laparoscopic Urological and Gynaecological procedures and VATS amongst other minimal access procedures. Live operative procedures will be streamed live from more than 20 renowned centres across the globe and 5 operation theatres at Coimbatore.

ABOUT SELSI

The "Society of Endoscopic and Laparoscopic Surgeons of India (SELSI)" was founded at AIIMS, New Delhi, India on 27th March 2008.

It was founded with the main aim of providing teaching and training to surgeons (especially in smaller cities) by way of Proctorship – Preceptorship, Conferences and Live Operative Workshops. Another objective was to develop SELSI accredited training centres across the country where training in both basic and advanced Laparoscopic procedures could be imparted to surgeons following the ancient teaching method of Gurukul with no financial gains. SELSI is an educational, non-profitable corporation.

Organising Chairman

Dr. K. Sendhilkumar

MS., FICS., FACS (USA), DNB (Surg. Gastro), FAIS, FCLS.,

Organising Secretary

Dr. Piyush Patwa

DNB., FMAS., FIAGES.

WHY SELSICON 2022?

Selsicon 2022 is an annual international conference being conducted in a physical form after a long time. Experts from various centres will showcase their tips and tricks about various surgeries live and interact with delegates

A chance to learn from the masters themselves. Free and competitive paper presentation during the conference. International and national faculties will showcase their skills and expertise in their field of interest like Hepato - Pancreatico-Biliary surgery, Bariatric surgery, Colorectal Surgery, Upper GI Surgery, VATS, Endoscopic bariatric Procedures, Endo-laparoscopic surgery, Gynaecological surgery, Pediatric surgery, Urology, Therapeutic Endoscopy and ROBOTICS!! A chance to meet your favourite mentors in person

State of the art exhibition of the recent advances in laparoscopy, endoscopy, robotics from renowned Indian and Multinational brands. There will be free and competitive papers and a pre conference PG CME and also FCLS and MCLS Examination.

H I G H L I G H T S

- *Extensive Live coverage of Minimal Invasive Surgeries*
- *Live Surgeries by National and International Faculties of repute*
- *Full of Academics by Famous Teachers of the Country during PG CME*
- *Membership & Fellowship Examination of International College of Laparoscopic Surgeons (MCLS & FCLS) with Convocation*
- *Discussion on Complications, Prevention, Management in various topics by Experts*
- *MIS GI surgeries, Endo Lap Urosurgeries, Endogynec and Laparoscopic Gynec Surgeries and Paediatric Surgeries*
- *Live in 3 different Halls on 5 separate screens.*
- *Free and Competitive Paper presentations by delegates from across the country*
- *State of Art Exhibition of Surgical Products by all Renowned companies*
- *Delegate's Self operating Video Library Corner through out the day*
- *Endotrainers and suturing stations for Delegates*
- *Post conference relaxation in Lapse of Nature, in and around Coimbatore*
- *Complimentary Tour to Isha Yoga Centre*
- *Complimentary book "Safe Laparoscopic Cholecystectomy" author by Dr. V.K. Kapoor*

PRE CONFERENCE PG CME 10th November 2022

HALL-A

PRECONFERENCE PG CME

Basics of Laparoscopic suturing and knotting 9:00am - 11:00am

- Setting up a Laparoscopic unit
- Training - Where and how?
- Instrumentation & Physics of Knotting & Suturing
- Steps of Knotting & Steps of taking a suture
- Extra corporeal knotting including Endoloop
- Knotting & Suturing - Hands on Training

11:00am - 11:30am TEA/ COFFEE BREAK Comprehensive Laparoscopic Surgery Course (Laparoscopic Cholecystectomy)

11:30am - 1:30pm

- Standard Lap Cholecystectomy-Exposure of Calots Triangle (Dissection on Tissue Model)
- Laparoscopic cholecystectomy (20minutes each-20minutes discussion at the end of session)
- case selection and preoperative preparation
- Factors contributing to intraoperative difficulty
- Intraoperative approaches modification in different situation
- Tips to prevent bowel/biliary injury
- Patient not recovering well as expected - How to approach?

1:30pm - 2:30pm LUNCH

Comprehensive Laparoscopic Surgery Course (Laparoscopic Hernia Surgery, Groin/Abdominal Wall)

2:30pm - 5:30pm

- Anatomy of the abdominal wall
- TAPP
- TEP / e - TEP
- IPOM / IPOM plus
- Component Separation - Ant / Post
- e-TEP, e-RS , e- TAR
- TARM - Trans abdominal Retromuscular repair
- Recurrent Hernias - which procedure ?
- Unusual Hernias

HALL-B

PRECONFERENCE PG CME

LAPAROSCOPIC & ENDOSCOPIC INSTRUMENTATION (Sterilisation & Maintenance) OT TECHNICIANS CAN ALSO ATTEND

9:00am - 11:00am

- Introduction
- Cleaning & Sterilisation
- Dismantling
- Decontamination
- Pre-cleaning & Rinsing
- Ultrasonic Cleaner - its role
- Methods of drying
- Sterilisation Types
- Storage

11:00am - 11:30am TEA/ COFFEE BREAK

Hands on Training on Flexible Endoscopy

11:30am - 1:30pm

- Hands on Tissue Model
- Hands on Stomach Model
- Live Cases - Observation
- Hands on simulator
- Interpretation of Endoscopic findings
- Understanding your Scope
- Endoscopy Technique & Reporting
- Closing Remarks

1:30pm - 2:30pm LUNCH

BASIC MEDICAL WRITING COURSE (ANY SPECIALITY CAN ATTEND)

15 minutes talk + 5minutes discussion

2:30pm - 5:30pm

- Why write / publish?
- What to write - types of articles
- The beginning – literature search
- How to write an original article - IMRAD
- How to write a case report
- Why articles get rejected
- How to make an effective oral presentation
- How to make an effective poster presentation

10th November 2022
FCLS & MCLS Examination

HALL-A 2 SCREENS

• **LIVE TRANSMISSION OF SURGERIES**

8:00am - 5:00pm

• **Laparoscopic GI, HPB, Bariatric, Hernia Surgery**

Laparoscopic Simple and complicated Appendicectomy
Laparoscopic simple and complicated Cholecystectomy
TAPP, TEP, e-TEP, Recurrence after previous open hernia surgery,
Recurrence after previous laparoscopic hernia surgery
IPOM plus, TARM, TAPP plus, SCOLA/SCOMA, e-TEP TAR and
other component separation techniques
Laparoscopic Nissen's fundoplication
Laparoscopic Heller Cardiomyotomy with Toupet Fundoplication
Laparoscopic CBD exploration
Laparoscopic management of difficult intrabdominal adhesions

• **Live Endoscopic procedure demonstration session**

ERCP for CBD stones
ERCP for pancreatic ductal stones
POEM

• **Live Endoscopic procedure demonstration session**

Endoscopic Esophageal Variceal Banding
Endoscopic Esophageal Stenting

Endoscopic Thyroidectomy
Laparoscopic Ovarian cyst Excision
Laparoscopic Myomectomy
Laparoscopic Sacrocolpopexy

• **MIS For Benign Anorectal Disorders**

Stapler hemorrhoidectomy
Laser hemorrhoidectomy and Fissure management
LIFT
VAAFT
Management of Complex / Complicated Anal Fistula

5:00pm - 5:30pm

• **SELSI General Body Meeting**

5:30pm - 6:00pm

• **Master Video Session**

VIDEO PRESENTATION
(8 MINUTES VIDEO + 2 MINUTES DISCUSSION) – Laparoscopy
in Emergency
Laparoscopic Management of Appendicular Perforation with
Abscess and generalized Peritonitis
Laparoscopic Management of Duodenal perforation with
Generalized Peritonitis
Laparoscopic Management of Intestinal obstruction and
Internal Hernia
Laparoscopic Ladd's Procedure for Intestinal Malrotation
Laparoscopic Management of Difficult Gall Bladder – Empyema,
Perforation, Gangrenous gall bladder, Contracted GB
Laparoscopic management of Obstructed Inguinal and
Ventral Hernia

6:00pm - 7:00pm

• **Panel Discussion**

Recent Advances in MIS Hernia Surgery and AWR

SCOLA/SCOMA – Indication and Technique
e-TEP TAR – Relevant Anatomy and Ideal case selection Technique
Endoscopic Component Separation Techniques
TARM, TAPP Plus – How do we do it? And Patient selection criteria
Complications of e-TEP –TAR. Its Management

7:00pm - 7:30pm

• **SELSI Presidential Oration**

7:30pm Onwards

Inaugural Function followed by Cultural Night and Dinner

- **8:30am - 9:00am : Best 3 Free Papers Presentation**
- **9:00am - 9:30am : Selsi Oration : Dr. C.Palanivelu, Coimbatore**
- **9:30am - 5:00pm : LIVE TRANSMISSION OF SURGERIES**
- **Laparoscopic GI, HPB, Bariatric, Hernia Surgery**
 - Laparoscopic right hemicolectomy
 - Laparoscopic cholecystectomy
 - Laparoscopic Anterior Resection
 - Laparoscopic Rectopexy
 - Laparoscopic TEP Repair
 - Laparoscopic D2 gastrectomy
 - Thoraco-Laprosopic oesophagectomy
 - Laparoscopic TAPP Repair
 - Laparoscopic eTEP - TAR Procedure
 - Laparoscopic Fundoplication
 - Total Laparoscopic Hysterectomy
 - Laparoscopic Tubal Recanalisation
 - Laparoscopic Herniotomy
 - Laparoscopic bariatric procedures Sleeve Gastrectomy, Mini Gastric Bypass (MGB) and RYGB
 - Laparoscopic Liver resection, Pancreaticoduodenectomy, LPJ, splenectomy
 - Transanal TME
- **Basic Diagnostic and therapeutic Endoscopy procedures**
 - Placement of esophageal stent, Colonic stent, Duodenal stent, Polypectomy, CBD stone Management by ERCP, CBD stenting for malignancy, Endoscopic Pancreatic Pseudocyst internal drainage
- **Bottom at its Best**
 - Stapler Hemorrhoidopexy
 - LIFT
 - VAAFT
 - Laser Haemorrhoidectomy and Fissure management
 - Management of Complex / Complicated Anal Fistulas
- **5:00pm - 6:00pm : Panel Discussion**
 - Gall Bladder Surgery Complications: Prediction, Prevention, Detection, Intra Operative, Post Operative and management**
- **6:00pm - 6:30PM : Convocation of MCLS and FCLS**
- **6:30PM - Valedictory function**

DAY 1

11th November 2022

HALL-B 2 SCREENS

• **Laparoscopic Gynaecological Surgery**

Programme Director : Dr Hafeez Rahman

• **OPERATING FACULTY**

Dr Damodhar Rao
Dr Hafeez Rahman
Dr Meenakshi
Dr Nikita Trehan
Dr Ramesh B
Dr Rajesh Modi
Dr Roshan Krishnakumar
Dr Sanjay Patel
Dr Sonia Farhan
Dr Yashodhan Deka
Dr Wattiez

• **9:00am - 5:00pm**

Live Laparoscopic Gynaecological surgeries

Total Laparoscopic Hysterectomy
Laparoscopic radical Hysterectomy
Laparoscopic Ovarian Cystectomy
Laparoscopic Sacrocolpopexy
Laparoscopic Difficult Adhesiolysis
Laparoscopic Sterilisation
Laparoscopic Management of Torsion Ovary
Hysteroscopic Polypectomy
Hysteroscopy for Asherman's Syndrome

• **5:00pm - 6:00 pm**

Interesting case

Moderator : Dr Hafeez Rahman

Time duration : 1hr

(Each topic: 7 minutes Presentation and 10 minutes Discussion)

Topics:

Ovarian cystectomy in Endometriosis
Isthmocele and Uterine Niche repair
Laparoscopic Encirclage
Prolapse - Rahman's Method

GYNAECOLOGY

DAY 2

12th November 2022

HALL-B 2 SCREENS

• **Laparoscopic Gynaecological Surgery**

Programme Director : Dr Hafeez Rahman

• **9:30am - 5:00pm**

Live Laparoscopic Gynaecological surgeries

Laparoscopic management of ectopic pregnancy
Total laparoscopic hysterectomy with use of morecellator
Laparoscopic myomectomy
Laparoscopic management of tubo-ovarian mass
Hysteroscopic submucous fibroid resection
Hysteroscopic endometrial ablation
Laparoscopic tubal recanalization
Laparoscopic ovarian endometriotic cystectomy
Laparoscopic management of vesico-vaginal fistula
Laparoscopic management of stress urinary incontinence

• **5:00pm - 6:00pm**

Complications of Laparoscopic Gynaecological Surgeries

Moderator : Dr B Ramesh

Time duration : 1hr

(Each topic: 7 minutes Presentation and 10 minutes Discussion)

Topics:

Torsion adnexa
Vaginal Endometriosis
Bladder Endometriosis
Adenomyomectomy

DAY 1
11th November 2022

HALL-C 2 SCREENS

- **9:00am - 4:00pm**
LIVE UROSURGERY WORKSHOP
- **LAPAROSCOPY**
Laparoscopic Nephrectomy
Laparoscopic Partial Nephrectomy
Laparoscopic Donor Nephrectomy
Microscopic Varicocelectomy
- **ROBOTIC**
Robotic Prostatectomy
Robotic Cystectomy
- **ENDOUROLOGY**
Flexible Cystoscopy
Diagnostic Cystoscopy
Optical Urethrotomy
TURP (Monopolar/ Bipolar)
- **4:00pm - 5:00pm**
Panel Discussion on Prostate

UROLOGY

DAY 2
12th November 2022

HALL-C 2 SCREENS

- **9:00am - 4:00pm**
LIVE
- **LAPAROSCOPY**
Video Endoscopic Inguinal Lymph node Dissection (VEIL Procedure)
Laparoscopic Adrenalectomy
Laparoscopic Pyeloplasty
No Scalpel Vasectomy (NSV)
Stapler Circumcision
- **ROBOTIC**
Robotic Radical Nephrectomy
- **UROGYNECOLOGY**
Stress Urinary Incontinence
– TVT/ TOT/ Laparoscopic Burch Colpo suspension
- **ENDOUROLOGY**
Laser Urethrotomy
Ureterocele Incision
PCNL
RIRS
Miniperk
Urolift
- **4:00pm - 5:00pm**
Panel Discussion on Urinary Stones

Why You Should Attend

Accreditation

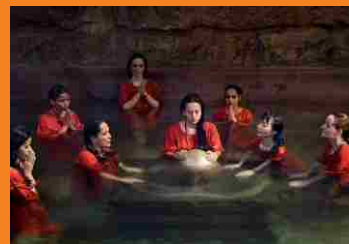

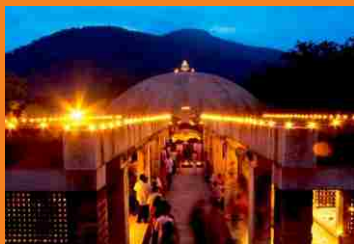

International College of
Laparoscopic Surgeons
Indian Hernia Society
Dr. MGR Medical University
(CME credit points awaited)

12th November 2022

- **Complimentary Guided Tour to Isha Yoga**
5:00am - 8:00am
Departure of Bus at 5:00am
sharp from Le Meridien Hotel
- **Breakfast arranged at Isha Yoga**
Return back to Hotel Le Meridien
by bus from Isha Yoga at 8 am
and to Academics after Rejuvenation.

isha

- *Visit to Isha Yoga Centre*
- *Dhyanalinga Meditation*
- *Adiyogi Statue*
