Welcome MESSAGE

Dear Colleagues,

We are pleased to invite you to attend the forthcoming 16th Annual National Conference of SELSI being organised at Pune from 26th to 29th October 2023. This meeting is likely to be the largest gathering of experts in minimally invasive surgery after the Covid pandemic and will showcase the advances in MIS and Robotic Surgery as on date by leaders and pioneers in their respective fields. CADAVERIC WORKSHOP for the first time in a National Conference. The MCLS FCLS examinations and the convocation would also be held in this annual event.

We are grateful to Dr. Shailesh Puntambekar and his excellent team for accepting to host this meeting at Pune. We are sure his organisational skills will be showcased in this mega event which would combine GROS and we warmly welcome their participation in this conference.

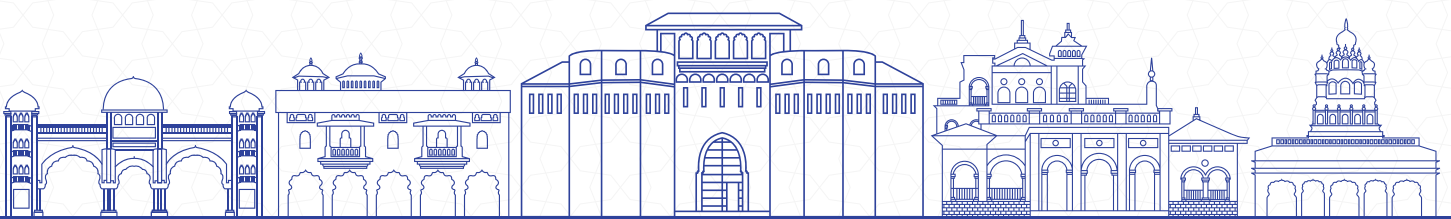

We urge you to attend this meeting and various sessions that interest you and enjoy the hospitality of Pune and Maharashtra.

Prof. Pawanindra Lal
President, SELSI

Dr. Amit Srivastava
Secretary, SELSI

Message from the **CHAIRPERSON**

“

Dear Colleagues,

It gives me immense pleasure in welcoming you to the National Conference on excellence in minimal invasive surgery jointly organized by Symbiosis Medical College for Women (SMCW) and Symbiosis University Hospital & Research Centre (SUHRC) under the aegis of Symbiosis International (Deemed University), Society of Endoscopic & Laparoscopic Surgeons of India (SELSI) and Galaxy Care Multispecialty Hospital from 27th to 29th October 2023.

SMCW is the first fully residential college exclusive for women in India. SUHRC is the hospital attached to Symbiosis Medical College for Women. SUHRC is currently 866 bedded, tertiary care, NABH Accredited hospital and is located within the Symbiosis International (Deemed University) Campus, Lavale, Pune. This three-day event covers didactic lectures, protocol-driven and evidence-based live robotic and Laparoscopic surgeries performed by internationally acclaimed surgeons. Thus, this conference is a must-attend event.

At the end of the conference, I am sure you will cherish experience of excellence in minimal invasive surgery.

Wish you all the best!

Thank you,

Dr. Rajiv Yerawadekar
Chairperson

”

Message from the **ORGANIZING SECRETARY**

“

Dear Friends,

GROS is back after 7 years of gap. The last conference we conducted in 2015 was attended by 1200 surgeons & gynecologists. We have planned this mega event again from 27-29 October 2023 at J.W. Marriott Pune. This is a national SELSI conference jointly organized by Symbiosis medical college for women & Symbiosis hospital with Galaxy Care Multispecialty Hospital. The highlights of this congress are Galaxy of faculties both national and international in surgery, oncology & gynecology. We plan to do more than 40 live surgeries. The live surgeries will be streamed live in two separate halls with 2 screens each. One hall will be dedicated to only gynecology surgeries (both benign and cancer) and other hall will be dedicated for surgical cases (both benign & cancer).

This will be the first time when non-cavitary surgeries like neck dissection, thyroidectomy, parotidectomy & inguinal block dissection will be shown live. Additionally, all types of Hernia surgeries, colorectal & esophageal surgeries will be shown. There will be all live surgeries from Pune and hence you can meet the experts in person following the surgery. The biggest highlight would be Uterine Transplant which we propose to show live or pre-recorded. J.W. Marriott is one of the finest hotels with excellent rooms, spa and shopping options.

I, am sure you will have a great academic feast along with excellent hospitality.
I sincerely invite all of you to join us in Pune.

Thank you,

Dr. Shailesh Puntambekar
